

School Supplies 2018-2019

Dear parents/guardians,

Please be aware that classrooms will be set up differently next school year in an effort to promote 21st century skills and organizational strategies. A form of technology will be available to each middle level student in the fall. Technology will be stored daily at the school unless needed for homework, however students will be responsible for the care of their assigned piece of technology (charging, transport, etc.). School supplies such as pencils, pens, etc. will be stored in the requested ziplock bags with homeroom teachers in September. It is our hope that these methods will help students not only learn greater organization skills, but also prevent the loss of supplies early in the school year.

- 2 1.5" - 2" binders
- 16 scribblers (Hilroy or equivalent in style/size)
- 1 package of loose leaf
- Math set
- 24 pencils
- 12 pens (black or blue ink)
- 1 large Ziploc bag
- Erasers
- One package of coloured pencils or markers
- 4 highlighters (multicolour)
- Ruler
- Scissors
- 5 glue sticks (no liquid glue, please) -- *we know that this is a lot of glue, but please note it will all get used. Each class will be creating numerous interactive notebooks, which requires a significant amount of glue over the course of the year.*
- 2 duotangs
- 1 double pocket folder
- Sketchbook (for Art students)
- Graphite art pencils (optional for art students)
- Calculator with square root button (**Grade 8 only**)

Thank you!

- ML Staff ☐
