

BRCS
Grade 6 School Supplies
2018/19

For grades 6-12 in September, 2018, there will be a **\$50 student fee** that will cover the **regular cost** of an agenda, School ID card (required for school activities such as dances), lock rental, special fine arts presentations or guest speakers and in school printing costs for student work. Any funds that remain at the end of the year will be transferred to class accounts to support student class trips.

The **added cost** this year is due to the technology initiative where every child is to receive a **Chromebook** that they will keep for the rest of their years at BRCS. **Upon graduation**, they will take the Chromebook with them.

Grade 6 students will keep their Chromebooks in school to be charged in the classroom overnight. They will use the same Chromebook at all times.
